

CCGTM

Roads & Transportation Experience

Selected Infrastructure projects

Take a closer look at some of the projects
we've done to learn more about our company.

CCG IN BRIEF

CCG, a leading architectural and engineering consultancy, embodies excellence and innovation in the industry. Specializing in sophisticated design, efficient project management, and tailored interior solutions, we seamlessly integrate aesthetics with functionality.

Our expert team of architects, engineers, and designers collaborates closely with clients, prioritizing communication to exceed expectations.

We provide specialized studies for safety and sustainability, offering innovative solutions through detailed analyses.

With a reputation for excellence, 'CCG in Brief' reflects our dedication to delivering exceptional, beautiful outcomes. Committed to upholding high standards, we pride ourselves on providing client-centric solutions in every project.

**DRIVEN BY EXCELLENCE AND
INNOVATION, CCG'S TEAM OF
PROFESSIONALS COLLABORATE
CLOSELY WITH YOU TO BRING
VISIONS TO LIFE THROUGH
METICULOUS CRAFTSMANSHIP.**

CCG IN NUMBERS

60+ YEARS OF EXPERIENCE

We bring a wealth of knowledge, innovation, and adaptability to meet evolving client needs.

1000+ CLIENTS

With a client base exceeding 1000, we have earned a reputation for reliability and innovation, ensuring successful project outcomes and client satisfaction.

350+ EMPLOYEES

Our team is committed to delivering excellence in every project, bringing together diverse talents for innovative solutions.

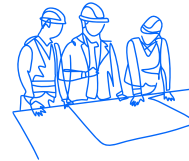

4 REGIONAL OFFICES

Our network ensures efficient collaboration, innovation, and effective project management.

30+ COUNTRIES

Our reach brings diverse perspectives to tailor solutions for clients around the world

20+ SERVICES

We provide a "one-stop-shop" solution for design excellence addressing all aspects of client needs.

These differences are one of our greatest strengths – and key to understanding the needs of our clients worldwide.

OUR SERVICES

ADVANCED STRATEGIES

We work with clients, marketing groups, financial institutions to provide up-front studies for real estate due-diligence, feasibility, branding, market positioning, and programming to help optimize their real estate and streamline their decision making processes

PLANNING

Our services extend to regional planning, urban planning, urban design, and masterplanning. We collaborate with clients to shape environments, provide sustainable solutions, create destinations, and contribute to the well-being of communities.

ARCHITECTURE

Our team's experience spans diverse projects from Commercial to residential, from healthcare to public and institutional, and from Industrial to science and technology, bringing to our client innovative and award winning design solutions.

ENGINEERING & INFRASTRUCTURE

Our leading teams bring comprehensive state-of-the-art solutions to building systems and infrastructure networks optimizing operations and efficiencies through sustainable engineering solutions to all project typologies

CONSTRUCTION SUPERVISION

Our on-site and design teams oversee project's construction activities to ensure adherence to design specifications, quality standards and safety regulations while ensuring that construction projects are completed on time and on budget to the highest standards of quality.

MANAGEMENT

Our project managers bring a wealth of experience in project planning, stakeholder engagement, team leadership and coordination, and budget management to ensure excellence in project delivery and ultimate client satisfaction.

MARKET SECTORS

1. PUBLIC & INSTITUTIONAL

- Government & Institutional
- Healthcare & Medical Facilities
- Education & Research Facilities
- Civic & Cultural Projects

2. CORPORATE & COMMERCIAL

- Corporate & Commercial
- Retail & Shopping Malls
- Data Centers & Technology Infrastructure

3. RESIDENTIAL & MIXED-USE

- Residential & Mixed-Use Developments
- Urban Planning & Infrastructure

4. INDUSTRIAL & INFRASTRUCTURE

- Industrial & Manufacturing Facilities
- Ports & Maritime Infrastructure
- Aviation & Transportation

5. CULTURAL & ENTERTAINMENT

- Sports & Entertainment
- Heritage & Adaptive Reuse
- Tourism & Recreation

6. SUSTAINABILITY & SPECIALIZED

- Renewable Energy & Green Buildings
- Environmental & Sustainability Projects
- Defense & Security

CORPORATE RESPONSIBILITY

CCG prioritizes corporate responsibility through ethical business practices and sustainable initiatives.

HEALTH AND SAFETY

At CCG, our commitment to community well-being extends to maintaining the highest standards of health and safety throughout our organization, across all levels and locations. Embracing a culture of continual improvement, we prioritize quality and consistency to proactively minimize occupational hazards and mitigate risks.

PEOPLE AND PLANET

At the core of our success lies the brilliance of our team members. We prioritize cultivating a work environment that celebrates diversity and inclusivity, fostering a space where all individuals can flourish and advance.

SUSTAINABILITY

At CCG, our dedication to the communities we serve aligns seamlessly with our reverence for the environment we influence. Whether constructing hospitals, schools, or industrial facilities, we steadfastly incorporate sustainable practices to reduce environmental impact.

ROADS & TRANSPORTATION PROJECTS

EXPLORE OUR TEAM'S EXPERIENCE

An aerial photograph of a city skyline, likely Dubai, featuring several prominent skyscrapers. The image is overlaid with a semi-transparent blue gradient. At the bottom, a layer of white fog or smoke obscures the lower parts of the buildings. The text is centered in the upper half of the image.

HIGHWAYS & BRIDGES PROJECTS

EXPLORE OUR TEAM'S EXPERIENCE

- Project Name: Prince Hussein Intersection
- Client Name: Greater Amman Municipality
- Location: Amman - Jordan
- Services: Design and Supervision

- Project Name: Safeway - Commodore Intersection
- Client Name: Greater Amman Municipality
- Location: Amman - Jordan
- Services: Design and Supervision

- Project Name: Dead Sea Parkway
- Client Name: Jordan Government / Japan International Cooperation Agency
- Location: Dead Sea - Jordan
- Services: Detailed design of Roads and bridges, Preparation of tender documents and Detailed Environmental study. Supervision of Construction. Services were provided with Messrs Oriental Consultant and Yamashita Sekkei, Inc

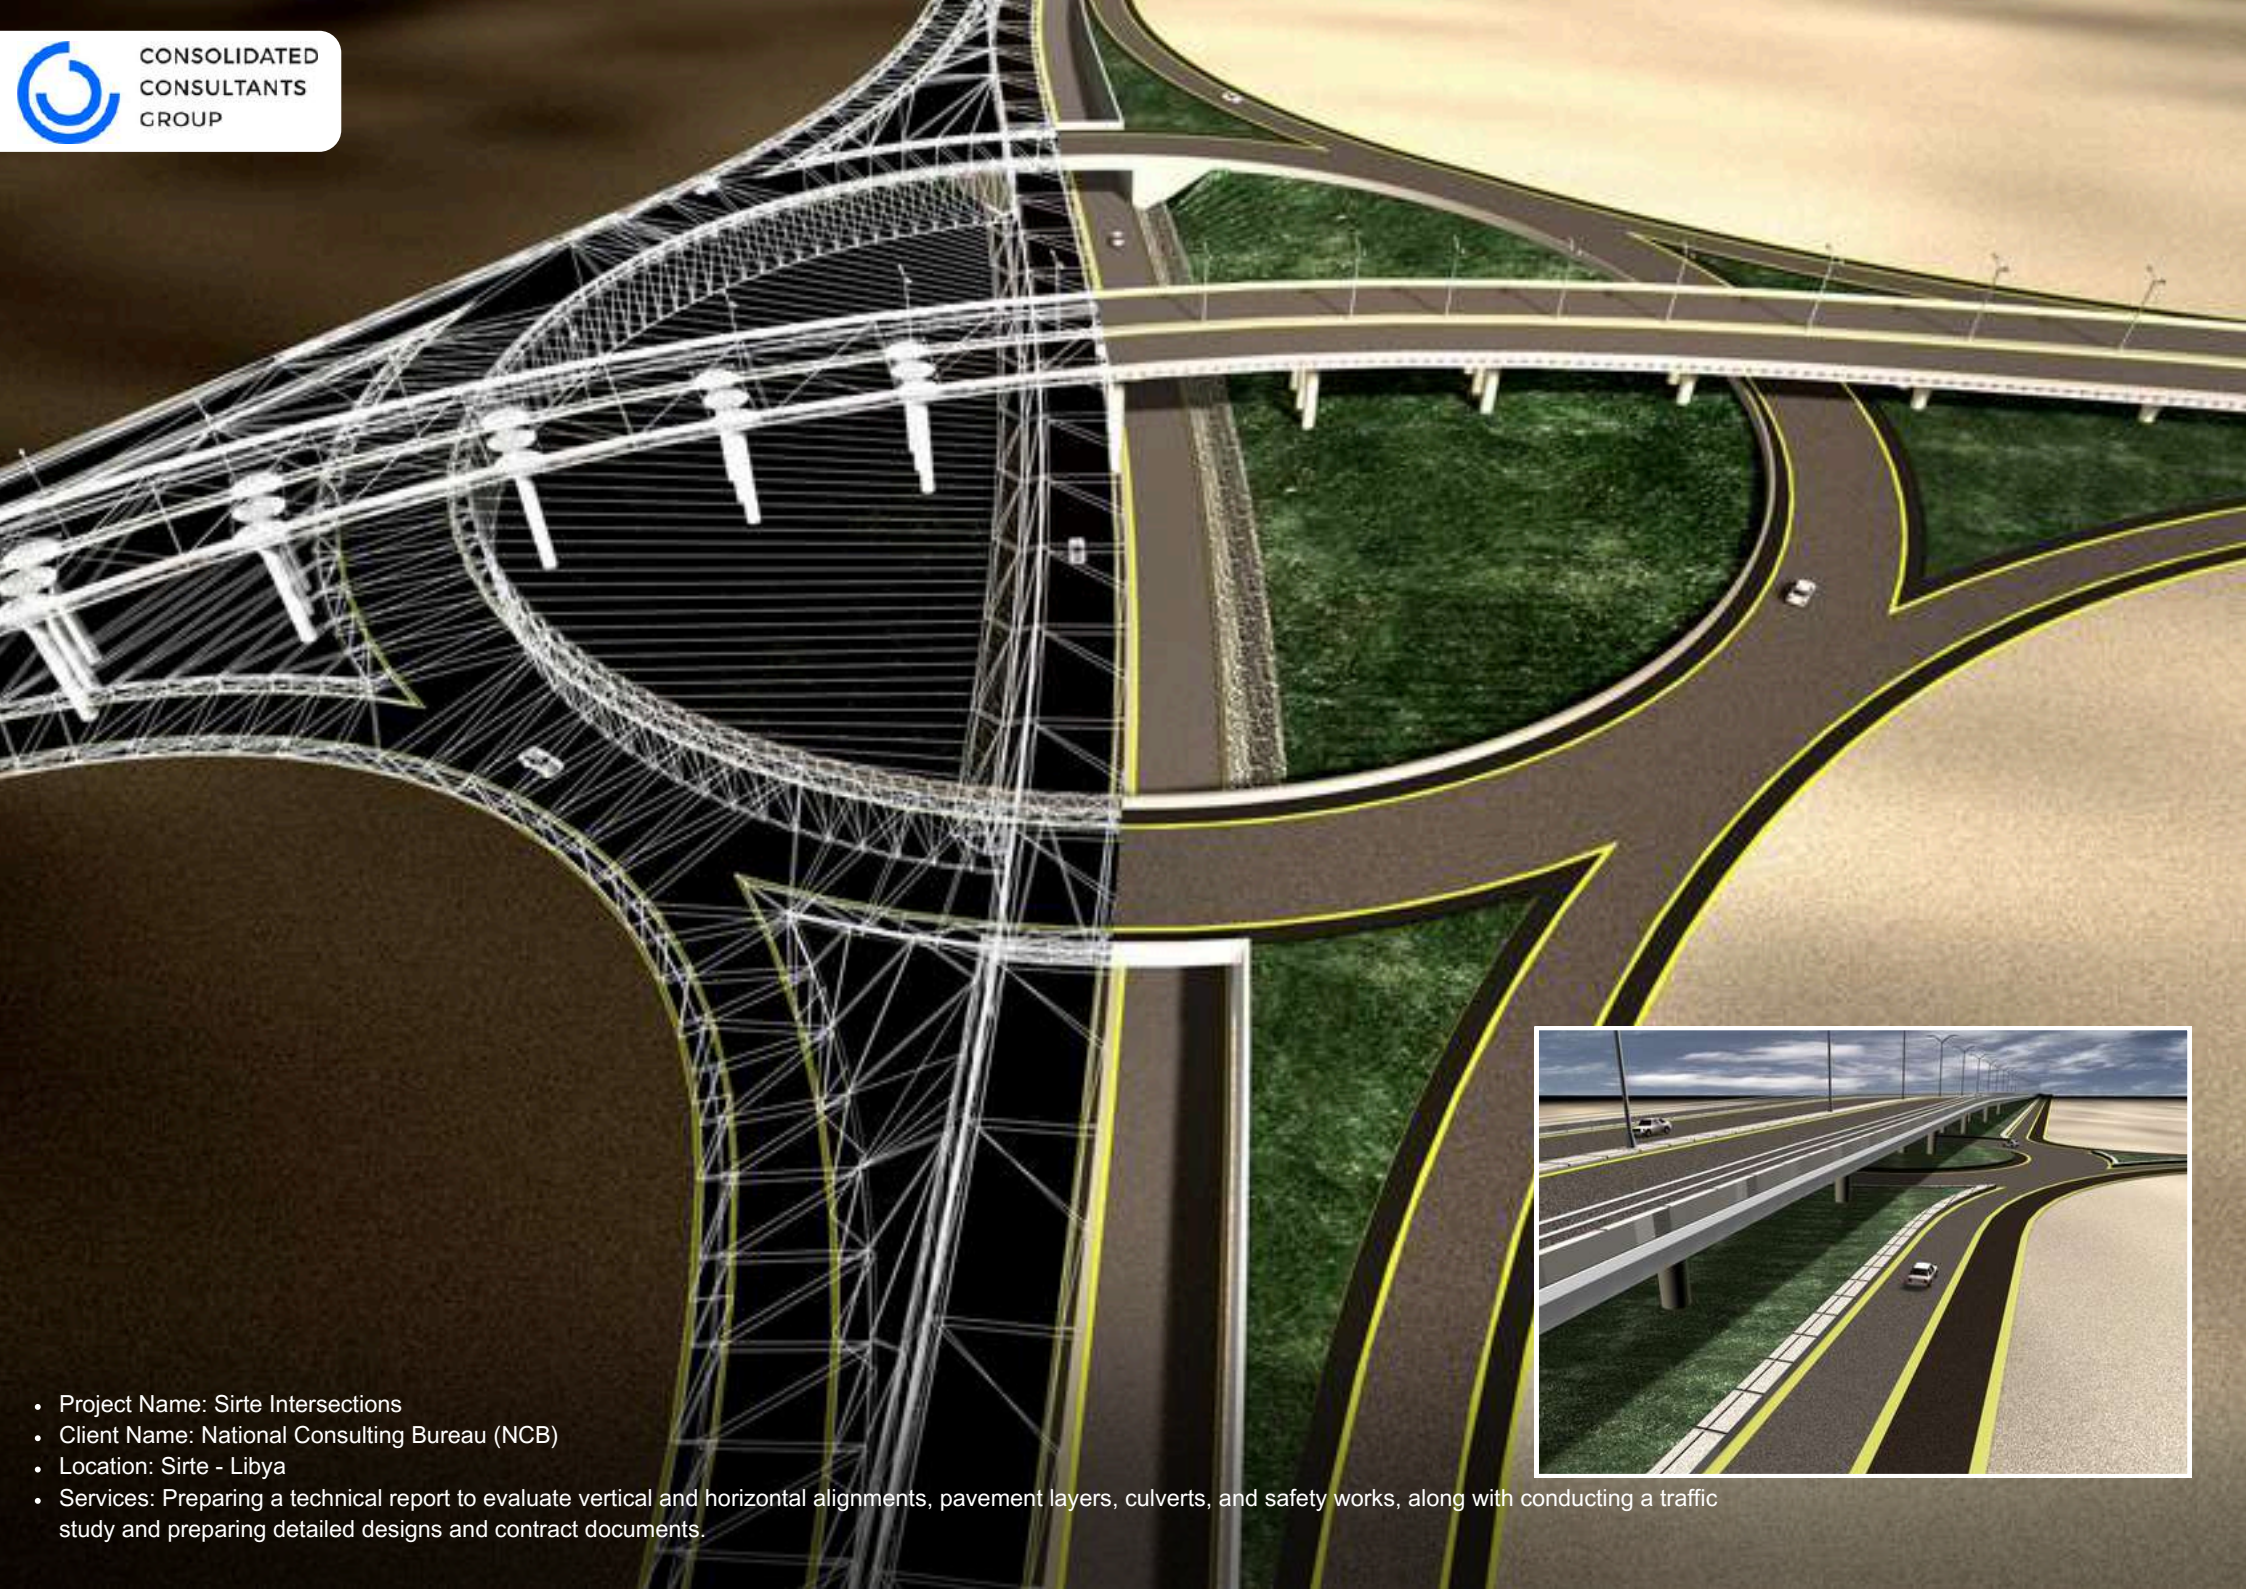

- Project Name: Mujib Bridge Protection Works
- Client Name: Ministry of Public Works & Housing
- Location: Mujib - Jordan
- Services: Supervision Construction for Flood Protection

- Project Name: Queen Alia Airport Road
- Client Name: Ministry of Public Works and Housing
- Location: Amman - Jordan
- Services: Evaluation of existing conditions, upgrading measures required to improve road conditions safety and capacity, design of the service roads, design the bridges & underpasses, road Landscaping, feasibility study, environmental study.

- Project Name: Aqaba Coastal Highway
- Client Name: Ministry of Public Works and Housing
- Location: Aqaba - Jordan
- Services: Design: [1995 – 1998] – Feasibility Study: Oct. 1997 – Nov. 1998, Redesign [new requirement]: Jan 2000 – June 2001, Supervision: Nov. 2002 - May 2005

- Project Name: Sirte Intersections
- Client Name: National Consulting Bureau (NCB)
- Location: Sirte - Libya
- Services: Preparing a technical report to evaluate vertical and horizontal alignments, pavement layers, culverts, and safety works, along with conducting a traffic study and preparing detailed designs and contract documents.
