

The background of the slide is a high-quality architectural rendering of a modern urban development. It features several multi-story residential buildings with light-colored facades and dark window frames. The buildings are interspersed with green spaces, including trees, shrubs, and paved walkways. People are shown walking and standing in the public areas, giving a sense of scale and life to the scene. The sky is a clear, vibrant blue with a few wispy clouds.

CCGTM

Architecture Experience

Selected projects

Take a closer look at some of the projects we've done to learn more about our company.

CCG IN BRIEF

CCG, a leading architectural and engineering consultancy, embodies excellence and innovation in the industry. Specializing in sophisticated design, efficient project management, and tailored interior solutions, we seamlessly integrate aesthetics with functionality.

Our expert team of architects, engineers, and designers collaborates closely with clients, prioritizing communication to exceed expectations.

We provide specialized studies for safety and sustainability, offering innovative solutions through detailed analyses.

With a reputation for excellence, 'CCG in Brief' reflects our dedication to delivering exceptional, beautiful outcomes. Committed to upholding high standards, we pride ourselves on providing client-centric solutions in every project.

**DRIVEN BY EXCELLENCE AND
INNOVATION, CCG'S TEAM OF
PROFESSIONALS COLLABORATE
CLOSELY WITH YOU TO BRING
VISIONS TO LIFE THROUGH
METICULOUS CRAFTSMANSHIP.**

CCG IN NUMBERS

60+ YEARS OF EXPERIENCE

We bring a wealth of knowledge, innovation, and adaptability to meet evolving client needs.

4 REGIONAL OFFICES

Our network ensures efficient collaboration, innovation, and effective project management.

1000+ CLIENTS

With a client base exceeding 1000, we have earned a reputation for reliability and innovation, ensuring successful project outcomes and client satisfaction.

30+ COUNTRIES

Our reach brings diverse perspectives to tailor solutions for clients around the world

350+ EMPLOYEES

Our team is committed to delivering excellence in every project, bringing together diverse talents for innovative solutions.

20+ SERVICES

We provide a "one-stop-shop" solution for design excellence addressing all aspects of client needs.

These differences are one of our greatest strengths – and key to understanding the needs of our clients worldwide.

OUR SERVICES

ADVANCED STRATEGIES

We work with clients, marketing groups, financial institutions to provide up-front studies for real estate due-diligence, feasibility, branding, market positioning, and programming to help optimize their real estate and streamline their decision making processes

ENGINEERING & INFRASTRUCTURE

Our leading teams bring comprehensive state-of-the-art solutions to building systems and infrastructure networks optimizing operations and efficiencies through sustainable engineering solutions to all project typologies

PLANNING

Our services extend to regional planning, urban planning, urban design, and masterplanning. We collaborate with clients to shape environments, provide sustainable solutions, create destinations, and contribute to the well-being of communities.

CONSTRUCTION SUPERVISION

Our on-site and design teams oversee project's construction activities to ensure adherence to design specifications, quality standards and safety regulations while ensuring that construction projects are completed on time and on budget to the highest standards of quality.

ARCHITECTURE

Our team's experience spans diverse projects from Commercial to residential, from healthcare to public and institutional, and from Industrial to science and technology, bringing to our client innovative and award winning design solutions.

MANAGEMENT

Our project managers bring a wealth of experience in project planning, stakeholder engagement, team leadership and coordination, and budget management to ensure excellence in project delivery and ultimate client satisfaction.
